

GOVERNOR: Herb Long, DTM

YEAR: 1986-1987

THEME: Keep The Spirit Alive

Most Positive Accomplishments:

Brought "fun" back into being a Toastmaster in District 39
Led by positive example the role effective leadership can
have on a District Committee to achieving mutually agreed to
goals.

Business meeting was professionally done and stayed on
schedule.

Started the concept of having a formal ball at Spring
Conferences.

Those Persons Who's Help Highlighted My Year:

There were many who contributed to the results we
achieved. Special one who come to mind are Lloyd Gavin as
Education Lt. Gov. provided outstanding workshops at both
conferences; Carol Dufort as District Secretary who ensured
District correspondence was professionally done; Herb
Yarbrough who made certain my feet were planted firmly on
the ground at all times, and Marcia Sydor who was and
continues to be my mentor.

My Favorite Memory:
