

GOVERNOR: Ruth Maloney

YEAR: 2000-2001

THEME: Dare to Share

MOST POSITIVE ACCOMPLISHMENTS:

Motivational speakers at conferences
Weekly "Hot Flashes" which updated accomplishments of members
Continuation of Open House at Shriners started by Dr. Dan Benson
Continuation of "Circle of Champions" implemented by PDG Don Johnson

THOSE PEOPLE WHO'S HELP HIGHLIGHTED MY YEAR:

Roberta's seriousness; Barbara's enthusiasm, and Don's kindness laid the groundwork for me which I tried to encompass. Bud Toole and Marjorie Quist were positive: Bud with his purity of "the law" and Marjorie with total commitment to Toastmasters kept me on track.

Working with Bob Tonelli, Jennifer and the Reno gang on the Fall Conference; Donna Richard assisting me to get the news out monthly; Jan Gerst always positive and telling others of need for monthly meetings; Shari Pulis giving the best motivational speech for accomplishing goals at the LBDG Charter Party; Chico for 50 years of continuous service to the community; Mike Churchill for emailing me to keep me laughing; Marilyn Minden for going everywhere with me and telling me I was "good" even when I wasn't.; and for John Bonnett for getting me up to speed on the internet (3 years before)

MY FAVORITE MEMORY:

The snow for fall conference: Marcia Sydor for driving through because "nobody told me not to"...while others stopped and/or turned back.

Marcia Smith for faxing the audit report to Reno in case she didn't get through (but she did) Marian Kile overjoyed (gaga) to meet Mills Lane; Donna Richard's surprise at being Toastmaster of the Year.

And most of all, those Friday meetings with Marjorie and Bud - whipping up to Auburn and Bud always afraid I would run out of gas (for my car)!
