

GOVERNOR: Arun K. Sen, DTM

YEAR: 1975-1976

THEME: Let's Do It - Together

Most Positive Accomplishments:

Attained Distinguished District status. District established Senior Lt. Governor position for the first time.

Funds were allocated to all Area Governor for purchase of any/all educational materials from TMI.

Ken Peters, DTM, nominated me for International Director!

Established Division/Area Council meeting. Distinguished Club Plan points were updated at these meetings.

Awarded C&L Award to Glen Craig, Commissioner of California Highway Patrol.

Those Persons Who's Help Highlighted My Year:

Earl Keck, DTM as my Senior Lt. Governor; John Sinelio, DTM as my Educational Lt. Governor; Bill Achuff, DTM as my Parliamentarian who helped me through the District Council Meetings; and many, many dedicated Toastmasters of District 39.

My Favorite Memory:

Awarding Tom Ralph his ATM. John Sinelio guaranteed my room reservation at the Mid-Winter Regional Conference because Portland Airport was fogged in and I arrived 2 hours late. Arne Sampe danced with Beverly Sinelio at the parking lot of Carrows. Tom Ralph bought dinner for me in Redding. A woman in Redding sued one of the Redding Clubs for not allowing her to join. Another Club, later, invited her to join but the woman decided not to join the Toastmasters at all!

Perhaps a most memorable event was the Regional which District 39 hosted in Reno with Mustang Ranch owner Joe Conforte as guest speaker. For most, it was a real "hit", but for the World Headquarters crew -- not so. Those who won the 3 guest passes still treasure them.
