

**GOVERNOR:** Buford "Bud" Toole

**YEAR:** 2001-2002

**THEME:** Experience Success

**MOST POSITIVE ACCOMPLISHMENTS:**

Looking back on my year as District 39 Governor, I feel proudest of the two outstanding Conferences that the District Leadership Team planned, developed, and held. I was particularly proud of the way that the members of the District Council put aside parochial differences and cooperated in doing the necessary business of the District. The Fall District Business Meeting was particularly well-run and successful.

**THOSE PERSONS WHO'S HELP HIGHLIGHTED MY YEAR:**

I am particularly indebted to the District Administrative Assistant, DTM Lorenzo Cuesta who ably assisted me in so many ways. Lieutenant Governor, Education and Training, DTM Marjorie Quist filled in for me while I was disabled due to injury. Division Governor of the Year, ATM-S Louise Houdelette and Area Governor of the Year, CTM Lin Hokana were inspiring in their enthusiasm and leadership.

**MY FAVORITE MEMORY:**

Sitting at the Head Table, right leg still in a walking cast, cane at my side, and watching the excellent speech contests at the Spring Conference.
