

GOVERNOR: Carol E. Williams, DTM

YEAR: 1990-1991

THEME: Inspire Excellence

Most Positive Accomplishments:

Leading the District to be the #15 Distinguished District. I was thrilled that all of the individuals who worked so diligently that year had been recognized and appreciated for their efforts.

We did well in membership and administration, but I was most happy about the educational achievements of our members and the effort they put forth to bring the Toastmaster experience to the community through presentations of Speechcrafts, Success/Leaderships, and Youth Leadership.

Those Persons Who's Help Highlighted My Year:

I cannot think of many who did not highlight my year. Among those who were exceptional were the Division Governors: Fred Daniels, DTM; Connie Regnell, ATM; Roberta Beers, DTM; Martha Tomaro, ATM (Division Governor of the Year); Robert Mullan, ATM and of course the Area Governors.

I especially thank Kathy Murphy who kept Toastmasters Leadership Institute going well.

Bob Sheridan, ATM served excellently as Parliamentarian.

My mentor, Lloyd Gavin, DTM, who left me to be on my own after having taught and guided me. But, of course, may have delivered a few reminders periodically. I thank you for trusting my ability.

Last, but never the least, my friends Jan Shillingburg, ATM and Barbara Lyncic, ATM, without these trusted friends, I could not have survived the sometimes more than frustrating periods.

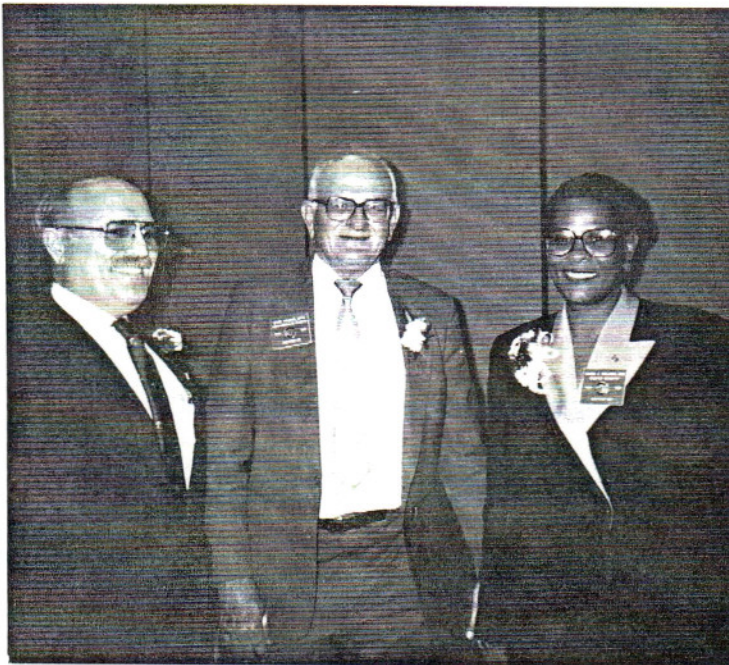

And of course, our year could not possibly been a success without the help of my team, Al Swanson, DTM, Educational Lt. Governor and Bob Young, DTM, Administrative Lt. Governor.

My Favorite Memory:

The Spring Conference where Bob Krauter, ATM the Conference Committee Chair and Barbara Kempter, DTM who chaired the Hospitality Committee, put on an outstanding conference. They and their committee members worked so well together that the conference could not be anything but a success.
