

THEME: A Time To Grow

Most Positive Accomplishments:

Forming a team that wanted to be #1 in the world of Toastmasters, and that wanted to keep the momentum going the following years.

The tension and excitement grew as we hovered at or near 1st place in the world throughout the year.

Continued the District's "Distinguished Member Program" to help all of our members achieve personal goals. Kat Calhoun and Ralph Romo were the first to earn their pin. Sunrise Center shone out as third in the world.

Marvyn Drake and his computer club gathered and inputted District Officer information onto the District Data Bank to develop among other records, the District Directory.

Those Persons Who's Help Highlighted My Year:

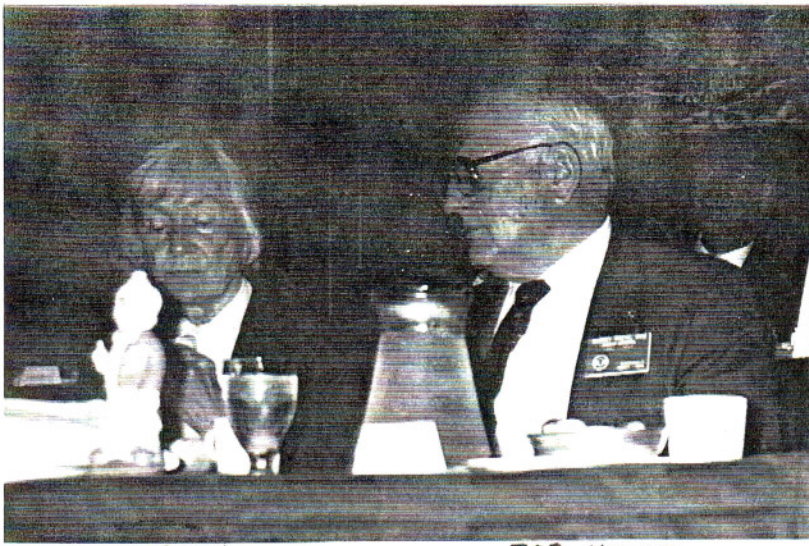

Too many to list - they all got awards, and they know who they are.

Art McMasters of Redding Club was the Fall Conference Chair, and Roberta Battle maintained the District Library.

Frank Souza was the Spring Conference Chair. Denise Blair pioneered a new club to meet as Toastmasters on TV.

My Favorite Memory:

My first visit to an Executive Committee meeting after my term ended -- when everyone stood and acknowledged my late arrival from Las Vegas.
